## Weather

Our tours can be affected by weather conditions, however it is difficult to predict exactly how a trip will be impacted until the day of the activity.

Please make sure we have good contact information for you so we can reach out if your trip is changed or cancelled due to poor conditions. If you have not heard from us, it means we are still planning to run your trip as scheduled, or we have not yet made a final decision based on the forecast.

If we are not able to run your trip, we will try to accommodate you on another date, another activity, or we will issue you a full refund.
